Dear Head of School and Coordinator,

I hope this email finds you safe and well during these difficult times. Our students, their well-being, and their progression in the future stages of life have been at the forefront of our thinking as we respond to this extraordinary pandemic.

On 22 March, we announced the cancellation of the May 2020 Diploma Programme and the Career-related Programme examinations and that a decision regarding the May 2020 Middle Years Programme eAssessment examinations will follow.

Thank you for completing the survey which provided information about your students and how they will use the MYP certificate as they continue their learner journey. Our senior team has spent many hours discussing the best option for our students and educators, with their health and safety as a key consideration.

The IB will be taking the following actions for the 2020 May MYP eAssessment session:

- May 2020 MYP on-screen examinations are cancelled.
- ePortfolio and Personal Projects grades will be issued.
- MYP certificate will be awarded, reflecting achievements from a combination of Personal Project, ePortfolio subjects, and predicted grades for other subjects.

FAQs with further details will be provided shortly on the [IB COVID FAQ page](#).

We know that you, your students and their parents, will have many questions and we will continue to be available to answer questions at support@ibo.org.

We have every confidence that as an IB World Community we will come together to ensure the success of the May 2020 cohort and we thank you for your cooperation and the support and guidance you will provide for IB students.

Keep well,
Siva Kumari
Director General
